

## THE PARENT PILLAR

---

*“A healthy social life is found only when, in the mirror of each soul, the whole community finds its reflection, and when, in the whole community, the virtue of each one is living.” ~ Rudolf Steiner*

The parents of the Siskiyou School are beacons of light that help create the mantle of warmth around our school community. Through each class play, meal served, events attended, through each volunteer moment, our community creates lasting memories throughout the years. Our goal, as the Parent Pillar, is to nurture moments of joy and fun that speak to the heart of our children, families and greater community. If you have any questions about ways to get involved, please contact Sarah Collins (Events & Fundraising Coordinator) at [sarah.collins@siskiyou-school.org](mailto:sarah.collins@siskiyou-school.org).

### Parent Pillar Representative

Each class has 1-3 Parent Pillar Reps to help communicate with other parents in the class about a wide variety of school business. The rep helps coordinate monthly class meet ups or gatherings, organize care brigades (support for families in need) when needed, and assists in a variety of ways. They are the liaison between the teacher and the class parents. The Parent Pillar Reps will work with the Events & Fundraising Coordinator in creating a positive class experience throughout the year.

- I would like to be a Parent Pillar Rep for the 2024-25 school year if a spot opens up or is available.
